PROFILE

My name is Bryan Ayllon and I am a jack of all trades. My work expands into many different fields that all come to form one giant piece. I can expertly use all of Adobe Creative Cloud suite programs expanding from Illustrator to more complex applications like After Effects. I also know how to develop mobile apps and websites using languages such as Swift, Objective-C and HTML/CSS.

WORK EXPERIENCE

KTTV

08/2016 - 07/2017

Student maintained news show that was livestreamed for Katy High School.

Tools: Photoshop, Illustrator, After Effects Premiere Pro, TriCaster, Soundboard, Teleprompter.

Very Mary

02/2017 - 03/2017

Maintained & set up Wordpress website for the client, as well as helped sketch ideas for a new logo.

Tools: Photoshop, Illustrator, Atom text editor, Wordpress, MySQL.

LumenXStudios

04/2016 - Present

LumenXStudios is the creative agency I co-founded. I do web & mobile work, all types of design & video production.

Tools: Photoshop, Illustrator, Sketch 3, Atom, Xcode, Premiere Pro, Final Cut Pro, After Effects.
